“College & Career Begins at Kendall”

Students are excited about representing Kendall.

Vision
We celebrate being a “diverse school community”. Hispanic Heritage Month runs until October 15th! How can we celebrate our diverse community? The link below is to a website that offers ideas for instruction https://www.hispanicheritagemonth.org/classroom/articles.

Teaching & Learning
Interventions
Data Team Meetings this week and next week will focus on reading intervention. A parent communication will go out by October 22nd identifying how to use the reading and math tools from home.

SIOP
Teachers and parents can schedule a meeting with Mrs. Asmani if they have questions about how SIOP (Sheltered, Instructional, Observation Protocol) can be used to better engage students. Teachers, please access the PADLET to share ideas: https://padlet.com/bakerz/7zl1lxckzgpp. Every classroom should have a daily content objective for ELA and Math

Extended Day
- The afterschool six week Enrichment Program is open to the school community.
- The Leadership and Critical Thinking Morning Boot Camp for 2nd-4th graders is a FREE Program focused on nutrition and wellness.

Permission slips will go home about both programs this week and students are taken on a first come first served basis. The confirmation of participation will go home in the Communication Folder! Programs begin on October 22nd.

- All volunteers must be cleared through the District’s Volunteer Process.
